

Selecta one is a world-leader in breeding, producing and marketing of vegetatively propagated ornamental plants. Our breeding activities include bedding and balcony plants, pot plants, perennials and cut flowers. With eleven breeding, production and distribution sites the corporate group serves all relevant markets worldwide.

For our Elite mother plant department (SEE) in **Tenerife/Spain** we are currently looking for a

Organization Manager (m/f/x)

Your tasks:

- Mix of office work and practical work within our production farm
- Coordination and organisation of daily work processes within our office, our logistics (dispatch and cool store) and our production (mother plants in greenhouses), including instruction of support staff (8-15 people)
- Preparation of documents for shipments, harvests, stocks and samples of the mother plants
- Maintenance, administration and processing of our databases
- Direct Communication with the “Head of SEE” and the “Grower SEE” to clarify and organize the work processes

Your profile:

- Successfully completed educational training in administration, hotel industry, trade or in horticulture fields
- Work experience as a group leader or supervisor is an advantage
- Good knowledge of written and spoken English and Spanish
- Organizational talent and high sense of quality and responsibility
- Hands on personality with a feeling and passion for plants

We offer:

- A versatile, safe workplace in our international team in the young plant industry
- Intensive familiarization with all Selecta processes
- Good working atmosphere without shift work
- Good development opportunities in a growing, successful, family-owned company.
- The possibility to grow with us! Become part of the Selecta one family!
